

	MUNICIPALITY OF RHINELAND	POLICY NO. 2023-64
	ADOPTED BY: Resolution No. /23	Last Updated: August 2023
	DATE: August 9th, 2023	Page: 1 of 1
	TITLE: LUD of Plum Coulee & Rosenfeld Garbage & Recycling Policy	Department: Public Works

PURPOSE:

To provide guidelines for the pickup and disposal of recycling and garbage collection within the LUD of Plum Coulee and the LUD of Rosenfeld.

The objectives of this policy are to:

- a) Establish the responsibilities of the LUD’s with respect to the provision and care of recycling and garbage collection.
- b) Establish the responsibility of property owners/occupants with respect to the recycling and garbage collection.
- c) Establish the responsibility of Municipality with respect to the recycling and garbage collection.

RATIONALE:

To establish a structured system for the removal of refuse and recycling of materials within the LUD of Plum Coulee and the LUD of Rosenfeld in the Municipality of Rhineland.

POLICY STATEMENT:

The Municipality will work to ensure that the removal of refuse and disposal as well as the recycling of materials is done in a manner that is most economically feasible to residents and work towards environmentally friendly efforts.

DEFINITIONS:

For the Purpose of this policy “LUD Property” is defined as all civic lots, boulevards, parks, arenas, offices, shops, and rights-of-way that are owned by the LUD of Plum Coulee and the LUD of Rosenfeld.

ADMINISTRATION AND PROCEDURES:

Garbage Pick up

- 1. The Municipality is responsible for the ongoing garbage collection and maintenance of all garbage weekly.
- 1. Garbage pickup is weekly every Tuesday morning. On a holiday Garbage pickup may change and will be posted ahead of time on our website and or face-book page.
- 2. A maximum of two garbage bags per household will be picked-up.

3. Additional tags can be purchased at the Municipal offices for extra garbage bags. Tags will be sold for \$2.00.
 4. Solid waste should be out at curb side by 7:00 am on pick up day.
 5. Garbage is to be put on main roads only (not back lanes). Garbage must be properly bagged, bundled or tied securely.
 6. No recycling materials should be in the garbage.
 7. Compost material is not included in the solid waste pick up; it can be taken to the drop-off and put into the compost pile at no cost during drop-off hours.
 8. Compost will be picked up 2 times per year in Plum Coulee. There are 2 pickup times in the months of April and October. These dates will be posted on the website and or face-book page.
 9. Branches must be broken into 3 foot lengths and bundled.
 10. Christmas trees are to be deposited at the drop-off site on days the drop off site is open in the compost pile at no cost or deposited at curb side for pickup during the 2nd week of January.
 11. Solid waste not to exceed 35 lbs. each.
 12. For larger items you are responsible to have them taken to the drop off site or contact PVC to arrange for disposal at your cost.
 13. Bin rentals are available from PVC at a fee for delivery and disposal.
 14. No steel, metal, wood, furniture, appliances, tires, compressed air cylinders, propane tanks or automobile batteries will be picked up.
 15. Steel and metal can be brought to the drop off site and deposited into the metal bin at no cost during drop-off hours.
17. Tires may be disposed of at the drop-off site.

Recycling Pick up

2. The Municipality is responsible for the ongoing recycling collection and maintenance of all recycling weekly.
3. Recycling must be out by 7 am on pick up day, which is Tuesday. On a holiday Recycling pick up may change and will be posted ahead of time on our website and or face-book page.
4. Please clean all plastic, metal and tin containers.
5. Flatten/crunch/fold all items to save space.
6. To help reduce escaping on windy days, you can put your paper items in a clear or blue bag – not grocery bags. You can also pack the paper tightly in your blue box. Put shredded paper in a full size see-through, tied plastic bag is the best.
7. Make sure your address is clearly marked on your box.
8. If you have missed your pick up day and wish to dispose of your recycling products, the recycling bins are located at the drop off site at most times except during drop off times.
9. All recycling must absolutely contain no garbage. Property has surveillance and violators will be subject to a fine.

WHAT CAN BE RECYCLED?

Your Blue Box or Blue/Clear bags may contain the following items – sorting is required.

Materials Accepted	What to Recycle	How To Prepare	Do Not Include
Newsprint	All newspapers & inserts	Clean and dry material only. Please put your newspapers and flyers into clear or blue see through plastic bags.	Do not use grocery store plastic bag. No tied bundles of newspaper.
Paper Products	All paper products, cardboard, pizza boxes, boxboard (cereal and shoe boxes), office paper, books wrapping paper, envelopes, junk mail, magazines, catalogues, brown and white paper bags, paper plates	Flatten boxes to conserve space. Book covers should be removed from hard cover books. Shredded paper should be in large clear bags.	No Styrofoam.
Plastic	All types of clean household plastic containers, plastic bags and plastic milk jugs.	Rinse jugs and remove caps. Crush to save space.	No motor oil or chemical containers.
Glass*	All types of glass bottles, containers and small jugs.	Rinse bottles, containers and small jugs.	Windows, mirror's large pieces of glass.
Tin/Metal	Metal food cans aluminum pie plates and trays.	Rinse cans clean and pinch the open end closed.	No aerosol cans, No paint cans, No other metal items.
